

The Corporate Governance Training ladies graduated last week!

Dear WOBN Family,

We hope that the first half of the year has been good to you, and that you are well on your way to achieving your goals for the year, but even if not, we look to the next half of the year with renewed hope; with redoubled energy and determination as we continue to reach for our goals.

To be the partners we aspire to be on your path to your desires, we have a lot more exciting programming coming up in the next half of the year—trainings, board talks, breakfast roundtables, and of course our annual conference, and we hope you will continue to engage with us. (Do remember our board talk today!)

For now, dive into the highlights of our last couple of weeks at WOBN, and do reach out to us if you've got any questions, concerns, or simply stories you would like to share with us!

Warmest,

The WOBN Team
